01/ 2016 YUZU RESTAURANT/ Oslo Norway

I opened Yuzu restaurant as a partner. Yuzu opened in very prime location right beside the Royal castle. Restaurant with sophisticated take on the Japanese style of informal eating and drinking. I took part in leading complex project, requiring different skills through out process of planing, building and running the place.

09/ 2014 NOZU FUSION BAR/ Oslo Norway

I was coordinating process of brand development. Creating set of logo, wrapping paper, coffee cups, stickers, menu design, as well as participating in many other decisions in brand development and interior design.

08/ 2011 HANAMI/ Oslo Norway

I was head-hunted with Karel, great chef and friend to open Hanami - a new Japanese fusion restaurant and cocktail bar in Oslo, Norway. We accepted this challenging offer as we were given a free hands to put our knowledge and expertise to use and prove to ourselves we could do it. Both bar and restaurant have gone from strength to strength and are now an established part of the cutting-edge restaurant scene currently emerging in Scandinavia.

02/ 2010 ZUMA/ London UK

Zuma is an internationally renowned and very successful restaurant which offers contemporary Japanese cuisine. Here I took in the concept to understand the roots of their success and what they were doing right.

2001 HOTEL ACADEMY/ Slovakia

School living exam - hotel management, gastronomy.

I enjoy meeting new people, establishing relationships built on honesty, good communication and creativity - attributes which I believe are necessary for building future working and personal relationships.

I see myself continuing creative work, applying my peoples and project leadership skills, and hoping for further development of my talents, personality as well as sharing my expertise with others.
